

Yvette Farkas

AUTHOR · PUBLISHING STRATEGIST · KNOWLEDGE ARCHITECT

ABOUT

Yvette Farkas is an author, publishing strategist, and knowledge architect. Across nearly three decades in publishing, holistic health, and education she has developed one method — find what matters, build the architecture, create the form — for turning complex expertise into books, courses, tools, and systems people can understand, use, and remember.

SPEAKING TOPICS

- The Knowledge Architecture Problem
- Turning Expertise into Intellectual Property
- The Human Advantage in AI-Assisted Work
- Why Meaningful Work Gets Stuck
- Stories That Help Children Understand Themselves
- Health, Resilience, and Listening to the Body
- Authority Publishing Without Giving Away Ownership

FORMATS

Keynotes, workshops, fireside chats, panels, and interviews — in person or online.

AUDIENCES

Conferences, universities and institutions, professional associations, author communities, and corporate learning teams.

titles ♦ Readers' Favorite 5-Star ♦ 2026 American Writing Awards Finalist ♦ Mindvalley University ♦ Future You Summit Dubai ♦ Held in the National Libr
